

QUALITY AND FOOD SAFETY POLICY; OCCUPATIONAL SAFETY AND HEALTH; SAFE TRADE AND ENVIRONMENT. MACHU PICCHU Foods S.A.C

We are leader food company dedicated to manufacturing products derived from cocoa, chocolates, confectionery and related products. We provide innovative products designed in accordance with the expectations and needs of our organization's stakeholders.

Our co-workers are the most valuable asset we have, therefore we care about their well-being and strengthen their talent towards growth and continuous improvement. Our productive activities take into account the care of the environment.

We are committed to:

Overreach quality expectations generating confidence and total satisfaction of our customers, maintaining constant communication with them.

Ensure the safety of our products taking preventive measures in all processes and promoting a culture of safety throughout the organization.

Prevent work-related incidents that may cause injuries and sickness for our employees, as well as third parties; promoting safe behavior and establishing controls in our facilities, to protect their physical integrity.

Environmental protection, including prevention of pollution derived from our activities, products and services; controlling emissions, effluents, waste and making efficient use of natural resources.

Promover la consulta y participación de todos nuestros colaboradores mediante diferentes canales para la implementación y mantenimiento de los estándares de seguridad y salud en el trabajo.

Cumplir con los requisitos legales vigentes y otros suscritos por la organización, relacionados en calidad e inocuidad, seguridad, salud ocupacional, medio ambiente y comercio seguro.

Propiciar la mejora continua del desempeño del Sistema de Gestión de Calidad e Inocuidad Alimentaria, Seguridad, Salud Ocupacional, Medio Ambiente y Comercio Seguro; basado en la participación, compromiso y comunicación con todos nuestros colaboradores.

Garantizar la confiabilidad y seguridad de nuestro personal, instalaciones, procesos y productos, previniendo la ocurrencia de cualquier tipo de actividades ilícitas que se encuentren vinculadas a la cadena de comercio seguro nacional e internacional.
